PA (public address) Equipment:

Can be as simple as a microphone on a stand for a wedding ceremony to as complicated as a 7 piece band setup. Talk to us about your requirements and let us show you how our trained technicians can make it so easy.

Speakers

We have powered and passive speaker sets and will match your requirements to the venue or size of the crowd you wish to entertain. We range from 175watts to 1350watt speaker systems and can add sub or extra speakers to whatever show you wish to produce.

\$180 to \$650

Battery Powered

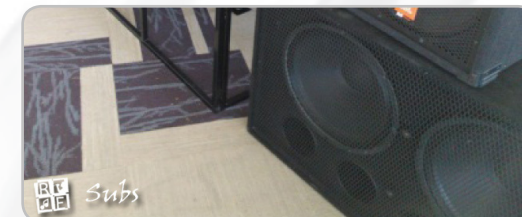

Mipro with CD player and option ipod input. It has an extension speaker a wireless jacket microphone and a wireless handheld microphone available.

\$120 to \$250

Mains Powered

We like JBL. It is proven to be the BMW of sound systems and is engineered to give reliable clear sound in almost any situation.

Subs

Carvin twin 18's 1600watts

\$250
